According to these orders, the loan carries interest at 4 per cent per annum, should be utilised to relieve the distress caused by the floods and is repayable in 20 half-yearly instalments. As these conditions are not specifically mentioned in the order sanctioning the regrant of Rs.30,000/-, I request to be informed whether the above conditions hold good in the case of this loan of Rs.30,000/-. The society has represented that the period of repayment may be raised to 30 half-yearly instalments instead of 20 and I recommend the same for the favourable consideration of Government.
